- Reminder about social events to be planned as and when and a review of Autumn social events.
- Bullying awareness week – Class Reps asked to promote to parents about the workshop on 25th January @2.30pm.
- Y1 Rep asked to promote Phonic s Workshop on 20th January.
- Discussion about Governors’ Fund and why it is important to raise funds for this.
- Discussion about a Multi Academy Trust and the directive from the Bishop for Catholic Schools in Arundel and Brighton.
- Clubs – discussion around siblings not getting into clubs and cookery club having the same children despite it being a ‘names out of hat’ approach. Suggestion of a 2 week rota for cookery so more children have a turn and offer of adult help from parents. LH to look into this but recognised that with the amount of clubs and time taken by Carole de Silva it is not all that easy to ensure siblings match up.
- School disco – LH agreed to have a disco in Cathedral Centre before May half term.

Meeting ended at 3.15pm
