

## Sports premium funding proposals 2016-17

*In spending the funding we take into account the following factors;*

- The increase and maintain participation rates in such activities as games, dance, gymnastics, swimming and athletics
- The increase, success and sustain ability of all children in competitive school sports
- How much more inclusive the Physical Education (PE) curriculum has become
- The growth in the range of traditional and alternative sporting activities
- The improvement in partnership work on PE with other schools and other local partners
- Links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills
- The greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health.
