

Sports premium funding proposals 2017-18

In spending the funding we take into account the following factors;

- The increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
- The increase and success in competitive school sports
- How much more inclusive the Physical Education (PE) curriculum has become
- The growth in the range of traditional and alternative sporting activities
- The improvement in partnership work on PE with other schools and other local partners
- Links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills
- The greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and Sport they offer. It should be used to:

- Develop or add to the PE and sport activities that the school already offers
- Build capacity and capability within the school's provision, helping to ensure that improvements made now will benefit pupils joining the school in future years.

Overview of the school

Number of pupils and Sports premium grant (SPG) received 2015-16	
Total number of pupils on roll	189
Total amount of SPG received	£17,570

Summary of SPG spending 2017-2018

Objectives in spending SPG:

Improve staff expertise in order to ensure good/outstanding PE teaching through the provision of professional development opportunities

Increase participation in sport for all children, including inviting targeted children (least active) to participate in sports clubs (new clubs)

Encourage children to participate in new sports through the use of professional coaches

Increase participation from all pupils in both competitive sporting events and festivals, both within school and with other schools

Provide leadership opportunities for children

Ensure all children can swim at least 25m at the end of Year 6

Use a range of strokes

perform safe self-rescue in different water-based situations

Summary of spending and actions taken:

Funding allocated to :

Professional development-Subject leader/staff working alongside coaches/specialist teachers

Extending repertoire of clubs and funding places for certain children

Hiring specialist coaches(tennis/squash/gymnastics) to encourage greater participation and also in new sports(squash)

Sports partnership with High school and other locality schools to deliver a range of competitions and festivals

Providing cover for subject leader to train sports leaders

Extra opportunities for Year 6 children to develop swimming distance and capabilities.
