

Sports Premium funding report 2014-15

The government is providing funding of over £150 million per annum for academic years 2013-2014 and 2014 to 2015 to improve the provision of physical education (PE) and sport in primary schools. This funding –provided jointly by the Department for Education, Health and Culture, Media and Sport – will be allocated to primary school headteachers. This funding is ring-fenced and therefore can only be spent on provision of PE and Sport in schools.

Funding for schools will be calculated by reference to the number of primary aged pupils (between ages of 5-11) as recorded in the annual schools census. Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

In spending the funding we take into account the following factors;

- The increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
- The increase and success in competitive school sports
- How much more inclusive the physical education curriculum has become
- The growth in the range of traditional and alternative sporting activities
- The improvement in partnership work on physical education with other schools and other local partners
- Links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills
- The greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health

Overview of the school

Number of pupils and Sports premium grant (SPG) received 2014-15	
Total number of pupils on roll	168
Total amount of SPG received	£8,845

Summary of SPG spending 2014-2015

Objectives in spending SPG:

Improve staff expertise in order to ensure good/outstanding PE teaching through the provision of professional development opportunities

Increase participation in sport for all children, including inviting targeted children(least active) to participate in sports clubs (new clubs)

Encourage children to participate in new sports through the use of professional coaches

Increase participation from all pupils in both competitive sporting events and festivals, both within school and with other schools

Provide leadership opportunities for children

Summary of spending and actions taken:

Funding allocated to :

Professional development-Subject leader/staff working alongside coaches/specialist teachers

Extending repertoire of clubs and funding places for certain children

Hiring specialist coaches(tennis/squash/gymnastics) to encourage greater participation and also in new sports(squash)

Sports partnership with High school and other locality schools to deliver a range of competitions and festivals

Providing cover for subject leader to train sports leaders

Outcomes to date:

KC attendance on Subject leader conference-disseminated to all staff via staff meeting

Sports leaders trained (Sports Crew)

Midday meals supervisors trained to support Sports Crew

Very high numbers of children attending after school clubs

Successful sports festivals held for years 4,5 and 6 at SPH

NQT PE training

Sports Mark Silver achieved

Attendance at Locality events (LASP minutes)

Increase in percentage of children involved in competitive events

Circus skills training (Diablo, plate spinning – link to acrobat and gymnastics)

Tag Rugby training for all teaching staff

New netball posts and Football nets

Playtime equipment purchased (balls, hoops, skipping ropes)

Agility table for Gymnastics
