

Sports premium funding proposals 2015-16

In spending the funding we take into account the following factors;

- The increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
- The increase and success in competitive school sports
- How much more inclusive the Physical Education (PE) curriculum has become
- The growth in the range of traditional and alternative sporting activities
- The improvement in partnership work on PE with other schools and other local partners
- Links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills
- The greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health.

Overview of the school

Number of pupils and Sports premium grant (SPG) received 2015-16	
Total number of pupils on roll	178
Total amount of SPG received	£8,815

Summary of SPG spending 2015-2016

Objectives in spending SPG:

Improve staff expertise in order to ensure good/outstanding PE teaching through the provision of professional development opportunities

Increase participation in sport for all children, including inviting targeted children (least active) to participate in sports clubs (new clubs)

Encourage children to participate in new sports through the use of professional coaches

Increase participation from all pupils in both competitive sporting events and festivals, both within school and with other schools

Provide leadership opportunities for children
