CLASS 1 HOME ACTIVITIES

Spring Term 2019

General guidelines about homework

The time recommended on non-statutory home activities is one hour a week. Remember that little and often is best as the children are working very hard in school. The children will be given one homework task a week to complete. It will be given out on a Friday and due back in the following Wednesday to celebrate with the class.

Set Menu

Reading

When hearing your child read, encourage them to talk about the pictures, characters and settings.

Can they predict what might happen next?

Ask them to point to words, at random, to help reinforce letter and word recognition.

Play games using the key words.
These can be cut up and used as flash cards.

Look for key words in other books or signs on shops when you are out and about.

Discuss fiction and non-fiction texts and identify their features: Contents, index, titles etc.

Spelling

Your child will be given spelling sets in the back of their 'Read with me book' and tested on them the following week. These will progress as your child learns to write them independently in a sentence.

Encourage them to sound out words they are not sure about.

Play games such as Eye Spy and Hangman.

Encourage your child to write simple sentences, lists or cards or to label pictures they have drawn.

Pick and Mix

Numeracy: Encourage your child to practise counting in 1's, 10's, 5's and 2's from any given number. Measure ingredients when cooking, talk about lengths and shapes and solve everyday number problems. Also encourage your child to form their numbers correctly.

Topic: This term the topic is '999'. The topic explores the different roles of the emergency services; police, fire, ambulance, RNLI, Red Cross and St John's Ambulance. Children will learn about water safety, fire safety, stranger danger and first aid.

Key words:

Emergency Services Police Firefighters Ambulance RNLI St John's Ambulance
Red Cross
