

Maths

- Number and place value
- Mental addition and subtraction
- Problem solving, reasoning and algebra
- Mental multiplication and division
- Geometry: properties of shapes
- Statistics
- Measurement
- Fractions, ratio and proportion

Science

Animals including humans

- The human body
- The 5 senses
- Pets
- Garden creatures
- Habitats

Art

This term the children will be developing their art skills, using a range of techniques. Designing, making and evaluating an emergency services vehicle of their choice. Looking at how fingerprints can be used for identification.

Music

Children will have their weekly music lessons with Miss Robinson

Religious Education

R.E will follow the 'Come and See' syllabus for Catholic Schools. The Spring Term covers; Special people, Meals and Change.

999

Miss Wing Y1 Spring
Term 2018

Emergency Services

Physical Education

Gymnastics- This term we will be looking at moving, travelling and balancing.

Ball Skills- Football and Netball

ICT/Computer Programming

Children will further their knowledge of computing and being introduced to the beebots, using them as emergency vehicles.

Literacy

Daily Phonics, working through phases 1-5

Non-Fiction

- Instructions
- Information Texts

Fiction

- Stories with repeating patterns and counting stories
- Traditional Tales

Poetry

- The senses
- Humorous Poems

History

- Mary Seacole and the history of nurses.
- Being healthy in the past.

Geography

- Looking at Arundel on a map and what is around where we live.
- Learning the countries that make up the United Kingdom and their Capital cities.
- Creating a fantasy island map and key.

CLASS 1 HOME ACTIVITIES

Spring Term 2018

General guidelines about homework

The time recommended for non-statutory home activities is one hour a week. Remember that little and often is best as the children are working very hard in school. The children will be given one homework task a week to complete. It will be given out on a Friday and due back in the following Thursday to celebrate with the class.

Set Menu

Reading

When hearing your child read, encourage them to talk about the pictures, characters and settings.

Can they predict what might happen next?

Ask them to point to words, at random, to help reinforce letter and word recognition.

Play games using the key words.
These can be cut up and used as flash cards.

Look for key words in other books or signs on shops when you are out and about.

Discuss fiction and non-fiction texts and identify their features: Contents, index, titles etc.

Spelling

Your child will be given spelling sets in the back of their 'Read with me book' and tested on them the following week. These will progress as your child learns to write them independently in a sentence.

Encourage them to sound out words they are not sure about.

Play games such as Eye Spy and Hangman.

Encourage your child to write simple sentences, lists or cards or to label pictures they have drawn.

Pick and Mix

Numeracy: Encourage your child to practise counting in 1's, 10's, 5's and 2's from any given number. Measure ingredients when cooking, talk about lengths and shapes and solve everyday number problems. Also encourage your child to form their numbers correctly.

Topic: This term the topic is '999'. The topic explores the different roles of the emergency services; police, fire, ambulance, RNLI, Red Cross and St John's Ambulance. Children will learn about water safety, fire safety, stranger danger and first aid.

Key words:

Emergency Services Police Firefighters Ambulance RNLI St John's Ambulance
Red Cross
